Tufts College.
 The Second Term of the current college year will
 end on Thursday morning, Feb. 23d.
 Three Courses of Instruction have been established,
 namely, one for the degree of Bachelor of Philo-
 sophy, which requires their course in two years; for the
 degree of Civil Engineer, in three years; for the de-
 gree of Bachelor of Arts, (regular collegiate course),

Modern Languages may be pursued one year, and Latin and Greek Languages and the Mathematics may be, as elective studies, beyond the time for which they are specially required.

For candidates for admission to the two shorter courses who are professed those who for any reason cannot attend the regular course, the following examinations in English Grammar, Modern Geography, Mitchell's Ancient Atlas, Goodrich's History of United States, Arithmetic, *Geometry and Algebra*.

The College is delightfully situated on an eminence a few rods from the water, four miles from Boston, commanding a view of twelve or fifteen cities and villages.

For further particulars send for a catalogue. For Correspondence Address, send to the President, Boston, Jan. 16, 1869.
